

ACCÉNT Glass Whiteboard

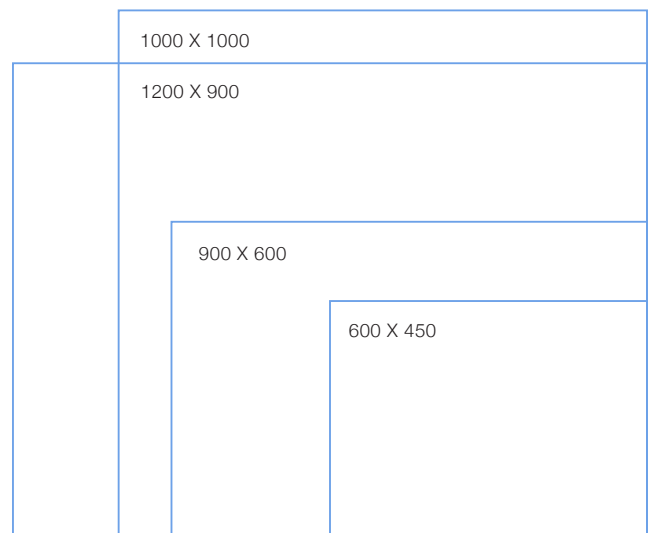

The modern frameless alternative to traditional whiteboards

Using a direct to wall mounting system with no visible fixtures and no holes in the glass, the Accent Glass Whiteboards presents a seamless writing surface to compliment your work environment.

The toughened safety glass is low iron content providing a true ultra white colour. Polished edges and smooth corner tips provide the quality finishing touches. Galvanised steel backing allows Glassboard™ magnets to be used to attach your paper notes. The non-porous glass will provide years of easy quick clean - no ghosting writing surface.

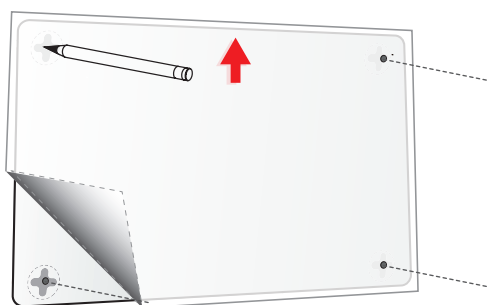

- Concealed easy wall mounting landscape or portrait
- Toughened Ultra white 4mm safety glass
- Polished edges and rounded corners
- Magnetic surface
- Includes perspex pen tray 250x60mm
- 5 year warranty
- Easy installation with drilling template and fixings

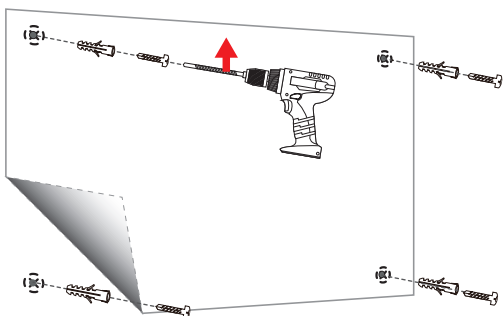

Code	Description	Size (mm)
