## Safety & Maintenance Guide

### Safety and Warnings

- This table complies with the prescribed safety regulations. Inappropriate use may cause damage to persons and table.
- Please read the operation manual prior to start using the table. It provides you with important information about safety, use, installation and maintenance of the table, and thus protecting you and your children and avoiding damage on the table.
- Please guard this operation manual and pass it on to any future owner!

### Usage

The electromotive, height-adjustable tables are designed for workstations in dry work environments only. The table height is infinitely adjustable, so that it can be set to the most ergonomically suitable working level.

They have not been designed for other purposes than those included in this manual, e.g. they are not to be used in areas of high humidity or dampness, nor for lifting people.

Any other use is at one's own risk!

**Do not crawl, lie or move around under the table frame, and do not sit or stand on the table frame.**

**CHILDREN should only use the table when supervised by adults.**

**Liability:** The manufacturer accepts under no circumstances warranty claims or liability claims for damages arising from improper use or handling of the table frame other than that described in this operation manual.

### Set-up and Installation

When the table has been assembled (see assembly instructions on page 3-4) the adjustable feet are installed so that the table is level and does not shift. Then the table is connected to the 110-230 VAC outlet and the table is ready for use.

Make sure that no cables can get jammed.

Place the table in a safe distance from window frames, radiators, furniture etc. so that people do not get stuck.

Do not place any objects above 55 cm underneath the table.

When moving the table after it has been assembled, the table top needs to be removed. The table CANNOT be lifted by the tabletop.

### Operation

#### UP/DOWN OPERATION:

**BOTH** buttons must be pressed **SIMULTANEOUSLY** either right or left.
