

# Balance

## The best in mesh

The Balance Chair is the perfect balance of design and engineering. High quality materials, interactive functionality and pared down styling create a fluid aesthetic that projects perfect equilibrium.

Your chair is in constant contact with your body, and by meticulous design the Balance Chair creates a state of steadiness and proper orientation of the body. Cradling your body with form fitting, suspended mesh, the Balance Chair helps you maintain a healthy ergonomic posture and keeps you comfortable all day.
