Church, School & Event Seating

FILA SERIES

The Fila Chair Linking Stacking Event Seating is a versatile, high-performance solution designed for venues that demand efficiency, durability, and modern style. Ideal for churches, schools, auditoriums, community halls, and large event spaces, this chair features an innovative Ready-Link leg system that locks chairs together seamlessly, creating stable, uniform seating rows in seconds. Built from premium moulded polyurethane, the Fila Chair is lightweight yet exceptionally strong, weight-rated to 200kg and backed by BIFMA heavy-duty certification. Its straight-stacking design allows extremely high stacking—up to 30 chairs—while maintaining outstanding stability and safety. With optional upholstery for the seat or seat and back, a wide range of colours, anti-bacterial properties, and full recyclability, the Fila Chair delivers durability, comfort, and sustainable value for any high-traffic environment.

PRODUCT FEATURES

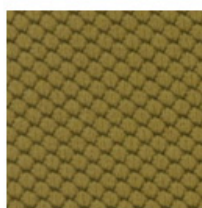

- 1 Chairs Delivered Fully Assembled
