HEX HEAD L35MM (E) *Veneer Seat 4pc	HEX HEAD L40MM (E) *Upholstered Seat 4pc

THREADLOCK 	IMPACT DRILL
-----------------------	-------------------------

We strongly recommend applying thread lock to the full length of all screws and using an impact drill. Scan the QR code with a phone or tablet to access the assembly video.

WARNING:
Always take care with an impact drill gun, especially when screwing into the pads. You will need to use the appropriate screw combinations for the different seat and back types.
